

Healthy Gators 2010 Highlights

February 2007
Volume 2 - Issue 1

Smoking Policy Update

From Bill Properzio, Director of Environmental Health and Safety and Member of the Policy Work Group –

Since the changes in the coverage of the outdoor smoking policy (no smoking within 50 feet of any campus building) were publicized the week of January 22, response from the UF community has been overall positive. Approximately a dozen people have contacted me. Most have supported the changes and/or have asked for advice on how to best implement it the change their areas.

New Endorsement and Co-Sponsor Guidelines

The Programming Work Group has established new program submission forms and criteria for all campus groups and coalition members interested in using the Healthy Gators 2010 logo. These criteria were approved by the Steering Committee.

- **Endorsement** means an event or program is included in the HG 2010 calendar and promotional materials may include the HG 2010 logo.
- **Co-sponsorship** is when an organization requests a fair amount of staff help or wants financial support. Request forms are available on the website.

New Program for Faculty and Staff

The Healthy Living Lunch and Learn program consists of 15 minute to 1 hour presentations on health topics. Request a session for your employees by contacting Cassandra Howard at 392-8740 or at choward@hhp.ufl.edu. Sponsored by Healthy Gators 2010 and Living Well.

Highlights Goes Public

If you know anyone who is not a member of the coalition but is interested in receiving an electronic copy of this newsletter, please have them contact Jane Emmerée at emmerée@ufl.edu.
